#### **Executive summary**

Euronext.liffe hereby announces that trading in options on BinckBank N.V. (BCK) will start on 21 March 2007. Further details are provided below.

1. Euronext.liffe will launch options on shares in BinckBank N.V. (BCK) on its derivatives market in Amsterdam on 21 March 2007 (see appendix 1 for contract specifications). The new option class will be introduced as a new Euronext.liffe Class Combination (ECC), although it should be noted that no other option classes will be added to the ECC<sup>1</sup>.
2. Euronext.liffe will select up to three PMMs and nine CMMs for the new ECC on the basis of applications received from members holding the capacity of dealers. They are invited to apply for positions, specifying the specific obligation level they wish to take on. These obligation levels are determined by Euronext.liffe.
3. The obligations and benefits of liquidity providers are described in the ELPS V – April 2007 document, which is available on our website

<sup>1</sup> New classes may be introduced in this particular ECC after a corporate event. Although this is not strictly speaking an ECC as it does not consist of a combination of classes, the term ECC is used in order to ensure consistent use of terminology.
