

## PARIS NOTICE NO. 14/13

Issue Date: 7 November 2014

Effective Date: 14 November 2014

### EURONEXT INTRODUCES A NEW RAPESEED DERIVATIVES COMPLEX

#### Executive Summary

This notice informs Members Euronext will make a combined Rapeseed Derivatives complex available for trading on 14th November 2014, by adding Rapeseed meal and oil futures and options.

#### 1. Trading introduction

Euronext is pleased to inform customers of the launch of a combined Rapeseed Derivatives complex on 14th November 2014. This Euronext offering will allow the industry to trade both Rapeseed meal and Rapeseed oil futures and options in individual contracts.

This launch also expands the Euronext commodities offering to cover the bio-diesel sector as it allows European mineral oil participants to hedge their bio-diesel price exposure.

#### 2. Contracts Specifications

Further the Info-Flash IF 41029 dated 29 October 2014 [IF141029DE\\_1 Euronext Introduces a New Rapeseed Derivatives Complex](#) you will find below, Rules and Regulations governing the new launched contracts. They are available on the following links:
