

LIFFE GENERAL NOTICE NO: 2462

ISSUE DATE: 5 July 2004

EFFECTIVE: 9 July 2004

REVISED EURONEXT.LIFFE TRADING PROCEDURES

Executive Summary

This General Notice advises members that the Euronext.liffe Trading Procedures have been revised to reflect changes to the Block Trading arrangements in respect of Euronext Paris.

1. Members are advised that revised Euronext.liffe Trading Procedures will come into force with effect from 9 July 2004. The changes, which directly affect Euronext Paris only and do not affect business transacted on the LIFFE market, create a greater degree of harmonisation within Euronext.liffe's procedures for Block Trading. These changes are being implemented ahead of further amendments to harmonise the Trading Procedures governing Block Trading and cross transactions, following market consultation earlier this year. Euronext.liffe is currently seeking regulatory approval for those further amendments.
2. Updated copies of the Trading Procedures will be made available on the LIFFE website (www.liffe.com) and in the Member Handbook in due course.
3. Members seeking further information should contact their Account Manager at Euronext.liffe.
