As announced in Paris Info-Flash No. PA 13/13, NYSE Euronext has taken the opportunity to bring the terms and conditions for the Paris Derivatives market into line with the new standardised Terms and Conditions for NYSE Euronext's European Cash Market.

1. Introduction

- 1.1 The shareholders of Kering have approved the distribution of Groupe Fnac shares. Corporate Action Notice No. CA/2013/195/P, issued on 19 June 2013, informed Members that the Kering American style and European style options (option trading symbols: PP1 and PP2) are adjusted according to the package method on 20 June 2013.
- 1.2 Following the corporate action, NYSE Liffe intends to introduce new American style and European style options (physical delivery) on Kering as from **2 July 2013**. The option trading symbol for the American style options will be "KR1" and for the European style options the option trading symbol will be "KR2". The contract specifications are equal to the current, pre corporate action, contract specifications of PP1 and PP2. The contract specifications are shown in the appendix.

Box 19163, 1000 GD Amsterdam, The Netherlands to be received no later than 28 June 2013 at close of business.
- 2.12 Members are reminded that the appointment of each Liquidity Provider will be subject to a binding contract (“the Agreement”) between the successful applicant and the Exchange. The Agreement will consist of the Terms and Conditions as published on the NYSE Euronext website at www.nyx.com/elps (under the Paris heading), the Liquidity Provider Registration Form and, where appropriate, any Update Form. Furthermore, a successful applicant’s status, and therefore the period for which the Liquidity Provider may receive financial benefits, may not be deemed to have commenced until the relevant Liquidity Provider Registration Form or Update Form is completed

and confirmed by all parties. Please note that in terms of effectiveness, the date is confirmed in writing by the Exchange.

- 2.13 In the event that any business which may give rise to a benefit under the terms of this Scheme may also qualify as business undertaken by the Liquidity Provider giving rise to a benefit under any other Exchange liquidity provision, market making or other similar scheme or arrangement, the Exchange reserves the right in its absolute discretion to take one or more of the following actions:
- a) withhold the credit of any further rebates otherwise due under the Scheme;
