

LISBON NOTICE NO. LIS12/1344

Issue Date: 23 October 2012

Effective Date: 29 October 2012

CHANGE TO REDES ENERGÉTICAS NACIONAIS SINGLE STOCK FUTURES CONTRACT CODE TO RNE SINGLE STOCK FUTURES ("SSF")

Executive Summary

This Notice informs Members of the change to the contract code of Single Stock Futures ("SSF") on Redes Energéticas Nacionais, which is available to trade on the Lisbon Derivatives Market, with effect from Monday 29 October 2012 .

1. This Notice informs Members that the contract code of SSFs on Redes Energéticas Nacionais, which is available for trading on the Lisbon Derivatives Market, will change from **RNA SSF** to **RNE SSF** with effect from Monday 29 October 2012.
2. As there is no open interest in the contract at present, the change can be made transparently and with no impact to clients and/or the central counterparty.
3. For the avoidance of doubt, the change will only impact the terminology and the contract will maintain all the characteristics stated in the General Clauses.
