INTRODUCTION OF FUTURES ON MORNINGSTAR® EUROZONE 50 INDEX

Executive Summary

This notice informs Members of the introduction of futures on the Morningstar® Eurozone 50 IndexSM. The introduction of the new futures is scheduled on **Friday 26 January 2018**.

1. Introduction

Euronext intends to launch futures on the Morningstar® Eurozone 50 IndexSM on the Derivatives Market of Euronext Amsterdam.

The new futures are scheduled for launch on **Friday 26 January 2018** (see attachment for contract specifications).

2. Benefits to clients

The contracts will provide members with the opportunity to:

- hedge their European portfolio simply and efficiently;
- leverage on a strong collaboration between Euronext and Morningstar, based on Morningstar's open index licensing model;
- trade a basket of stocks through one single contract;
- add flexibility to their investment portfolio;
- benefit from lower transaction costs than for trading stocks;
- trade in a transparent and secured trading environment, with clearing provided by central counterparty LCH S.A.

3. Member onboarding

Morningstar Index Futures are cleared via LCH SA. Please note that Morningstar Index Futures will be added to the current Amsterdam Index Futures segment. Members with access to the Amsterdam Index Futures market will automatically have access to trade Morningstar Index Futures. Members who wish to trade Morningstar Index Futures need to make sure they have the proper membership arrangements in place. Please contact your relationship manager at ccc@euronext.com if you have questions about this.

Membership extensions can be requested by returning the completed 'Euronext Derivatives Markets – Request for extension of trading activity' [form](#) (which is also available at www.euronext.com/membership/admission-proces/membership-applications-extensions).
