MARKET:**TRADING MANUAL AMENDMENT - CRITERIA FOR RETAIL MEMBER ORGANISATIONS**

Euronext has published on its website (<https://www.euronext.com/en/regulation/organization-of-trading>) a new version of the notice 4-01 (Trading Manual on Securities Markets), effective 15 May 2017, removing the following requirement for Retail Member Organisations (RMOs) from Article 2.10.5 dealing with Retail Trading Facility:

~~"such orders are submitted by the Member via a trading architecture that does not involve co-location services as primary access at Euronext's level (on the SLE level)."~~

The other RMO criteria remain applicable.
