Disciplined capital allocation

- BU strategies challenged, informed by Sonae's view on each sector
- Medium-term financial plans and estimated value creation of each initiative evaluated at group level

Structured portfolio assessment methodology

Business logic

Is the industry attractive and do we have a strong position?

Value added logic

How likely is Sonae to add value to the business?

Capital markets logic

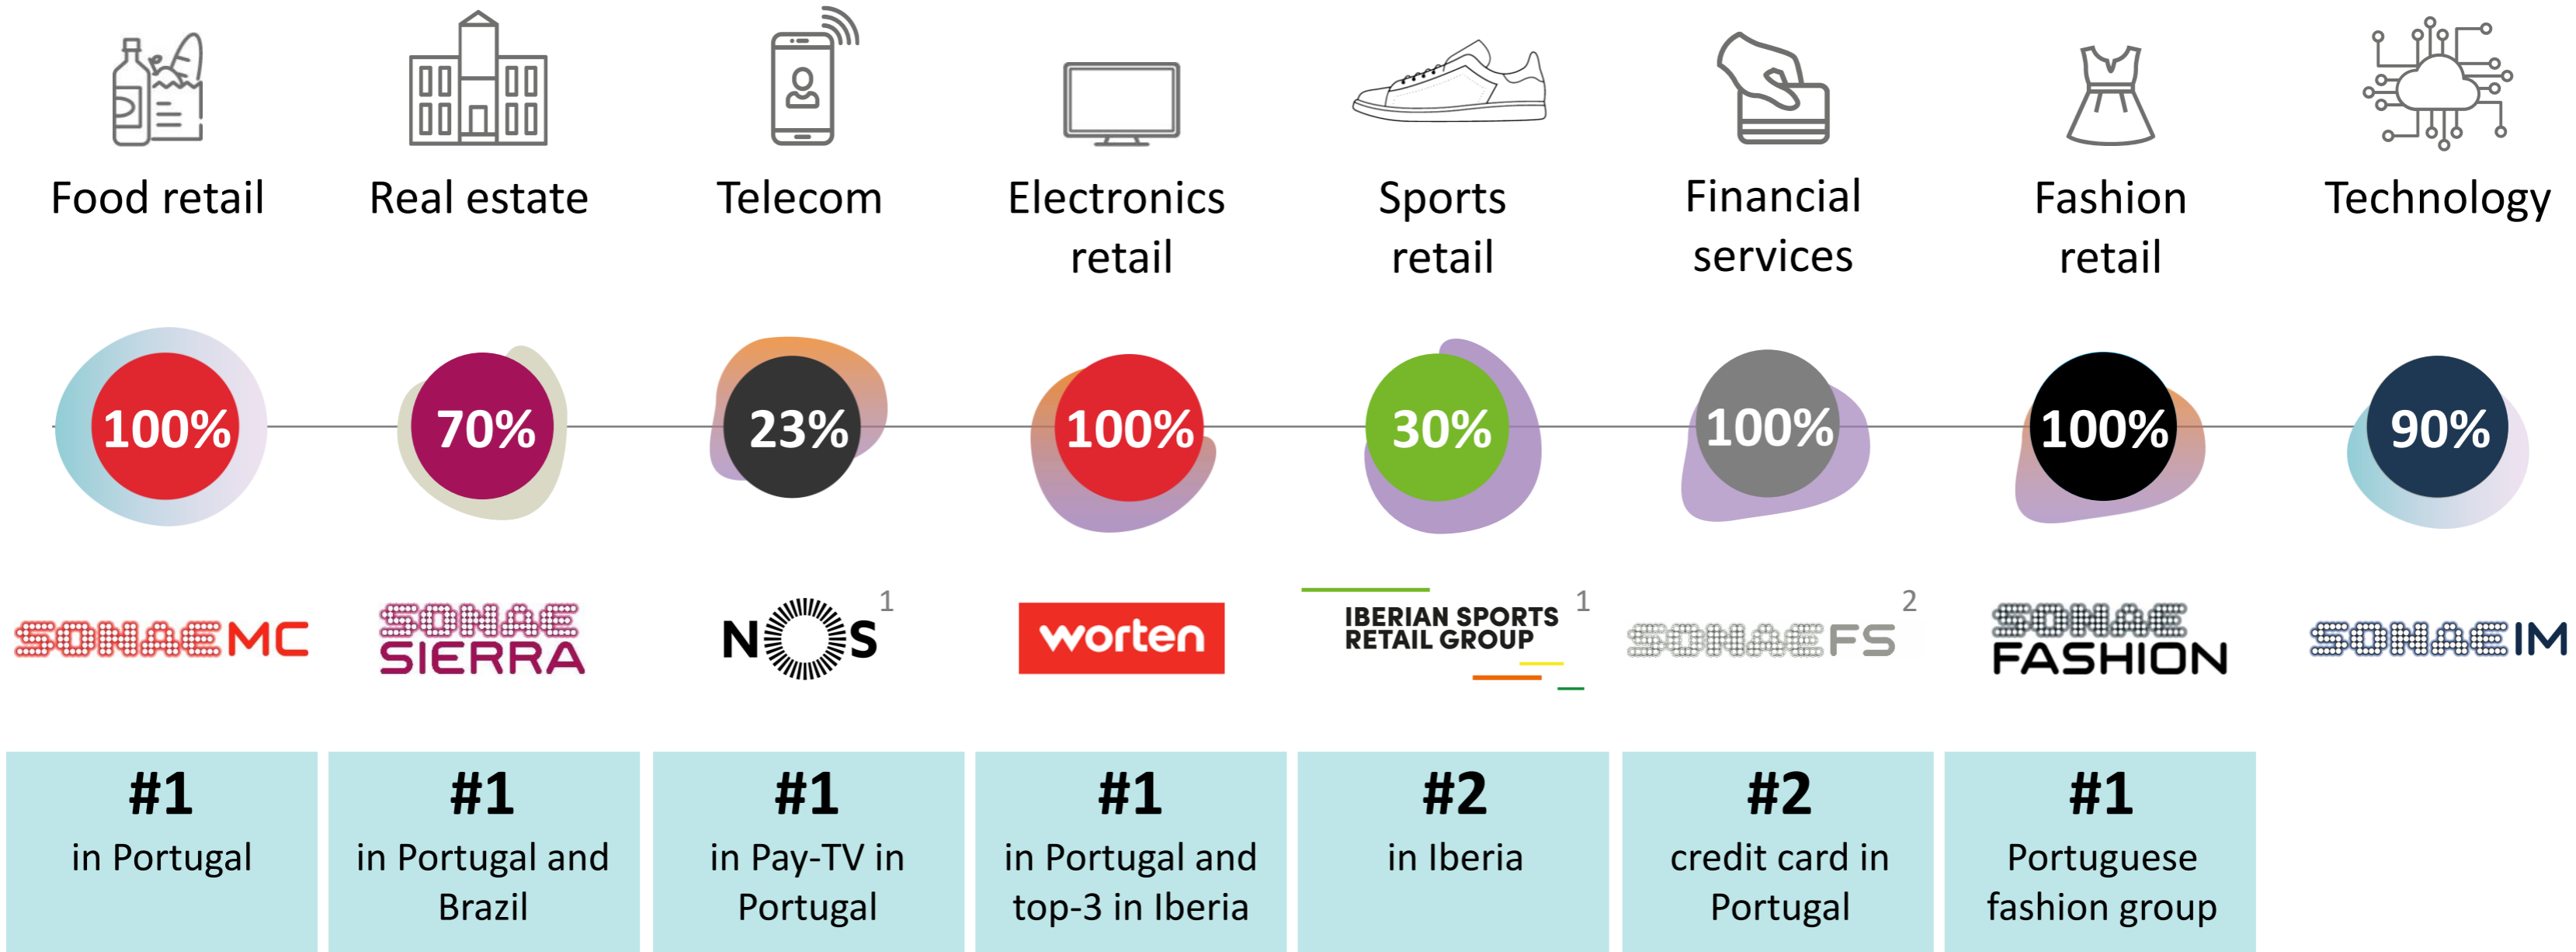

How much is the business worth to Sonae vs. the market?

Portfolio balance

Understand the portfolio exposure to specific trends and factors (e.g. sectors, geographies, disruptive technologies, growth)

A portfolio of businesses with leading positions

A portfolio with strong linkages

1 Consolidated through the equity method
2 Insurance brokerage through 50% of MDS group

Going forward, we will remain true to our DNA but more active and decisive in managing our portfolio
