PRESS RELEASE - ARDOOIE, 9 JANUARY 2017 - 17H45

U.C.S. IS A COMPANY ACTIVE IN THE DEVELOPMENT, PRODUCTION AND SALE OF RADIATION CURING PRIMERS, INKS AND VARNISHES FOR INDUSTRIAL APPLICATIONS. RADIATION CURING IS A PROCESS OF CHEMICAL "DRYING" UNDER THE INFLUENCE OF LIGHT.

This is a promising and future oriented technology as the markets evolve more and more to inks, primers and varnishes without solvents.

The current owner and driving force behind these developments, Mr. Kurt Troch, has agreed to stay with the company to assure its future development with the support of Sioen Chemicals. The transaction has a value of approximately 1 million Euro.

ABOUT SIOEN CHEMICALS

Sioen Chemicals is the expert in coloring, dispersing pigments and additives in pigment pastes, liquids, concentrates and inks for a wide range of applications. Our customers operate in the fields of wall- and floorcovering, sealants, adhesives, paints, plasters, technical textiles up to automotive, paper, agriculture, food and many other industry segments. Sioen Chemicals offers high quality standard and tailor made customer solutions and is well reputed for its customized pigment pastes, inks and varnishes.

ABOUT SIOEN INDUSTRIES GROUP

Sioen Industries is a diversified Euronext stock exchange quoted group with an extensive portfolio of products and activities: extrusion of polyester fibres, weaving and coating of technical textiles, manufacturer of professional protective garments and producer of fine chemicals.

The Sioen Group manages the complete industrial chain, from yarn to finished product. This gives us an edge over our competitors, enabling us to respond quickly to customer needs and making us less dependent from external suppliers.

All information on Sioen can be found on www.sioen.com. Newsflashes and announcements of Sioen Industries can also be found on:
