

## **PRESS RELEASE**

### **Besì Shares To Be Included in Euronext AEX Listing**

Duiven, the Netherlands, March 10, 2021 - BE Semiconductor Industries N.V. (the "Company" or "Besì") (Euronext Amsterdam: BESÌ; OTC markets: BESÌY, Nasdaq International Designation), a leading manufacturer of assembly equipment for the semiconductor industry, today announced that it will be included in the Euronext AEX Index effective as of the start of trading on March 22, 2021. Euronext announced this change on March 9, 2021, following its annual review, based on Besì's free-float adjusted market capitalization and liquidity.

**Richard W. Blickman, President and Chief Executive Officer of Besì, commented:**

"We are pleased to be included in Euronext Amsterdam's AEX Index reflecting the positive financial and share price performance we have experienced over the past years. This move is expected to further increase shareholder interest and liquidity in the market for Besì's shares."

**About Besì**

Besì is a leading supplier of semiconductor assembly equipment for the global semiconductor and electronics industries offering high levels of accuracy, productivity and reliability at a low cost of ownership. The Company develops leading edge assembly processes and equipment for leadframe, substrate and wafer level packaging applications in a wide range of end-user markets including electronics, mobile internet, cloud server, computing, automotive, industrial, LED and solar energy. Customers are primarily leading semiconductor manufacturers, assembly subcontractors and electronics and industrial companies. Besì's ordinary shares are listed on Euronext Amsterdam (symbol: BESÌ). Its Level 1 ADRs are listed on the OTC markets (symbol: BESÌY Nasdaq International Designation) and its headquarters are located in Duiven, the Netherlands.
