ITEM 4 ON THE AGENDA
(RESOLVE ON THE DECLARATION ON THE REMUNERATION POLICY OF MEMBERS OF THE MANAGEMENT AND SUPERVISORY BODIES OF THE COMPANY)

The following proposal was presented by Remuneration Committee:

“Remuneration Committee Statement 2017

Pursuant to Articles 2 and 3 of Law No. 28/2009 of 19 June, the Remuneration Committee presents the Statement on the Remuneration Policy of the Members of the Management and Supervisory Bodies to be submitted to the General Meeting of Cimpor - Cimentos de Portugal, SGPS, S.A. (Cimpor).

This Statement takes into account, in addition to the above-indicated law, the Corporate Governance Recommendations of the Portuguese Securities Market Commission (2013 version) and the applicable rules of the Portuguese Companies' Code, the Portuguese Securities' Code, CMVM Regulation No. 1/2010 and No. 4/2013 (in force since 1 January 2014, revoking CMVM Regulation No. 1/2010), and the Articles of Association of Cimpor.

1. The year 2016

Following the resolution approved by the Shareholders, at the Annual General Meeting held on March 30, 2016, the composition of the Remuneration Committee of Cimpor, until the end of the current mandate (2015-2017), was as follows:

Chairman: Manuel Soares Pinto Barbosa

Members: a) Aparecida Shizue Yamashita; and

b) José Maria Jesus Vale (elected on March 30, 2016)

During 2016 the Remuneration Committee developed its work under normal circumstances. It met four times during the 2016 financial year.

REMUNERATION POLICY

The remuneration policy adopted by Cimpor and its subsidiaries in 2016 followed the performance vectors included in the Statement of this Committee approved by the aforementioned General Assembly (March 30, 2016). Which follows the general guidelines of the remuneration policy and the valuation model in force in previous years, in line with the practice followed in the InterCement Group which integrates (among others) Cimpor.

No variable remuneration was paid to the members of the Executive Committee in 2016, who agreed not to receive any amount by way of variable remuneration from Cimpor. The variable remuneration assigned in 2013 was, nonetheless, paid in 2016 to the executive board members who were in office up to July 16, 2012, as such payment had been deferred for three years, in accordance with the remuneration policy of this company. These remunerations totaled €1,014,870.00.

PAYMENTS RELATIVE TO THE DISMISSAL OR TERMINATION OF OFFICE OF DIRECTORS

No payments concerning the termination of office of directors were made during 2016, as no such payments were required.

2. Guidelines for 2017

The mandate of the Remuneration Committee that is ongoing and the Cimpor remuneration policy detailed in chapter III of the Annual Report and Accounts of Cimpor have assimilated, to the extent applicable, the recommendations of the CMVM Corporate Governance Code (2013 version) and the provisions of CMVM Regulation No. 4/2013, from its entry into force on 1 January 2014.

At the end of December 2016, the Remuneration Committee held a joint reflection on the remuneration of Cimpor's management and supervisory bodies (with the exception of the Statutory Auditor) in the context of the company's specific situation. This reflection was based on, among other factors, a comparative analysis of the remunerations of the members of the Board of Directors and of the Audit Committee with those practiced in other companies, mostly members of the Euronext PSI20 index.

In this context, the Remuneration Committee approved¹⁰ a review of the remuneration of non-executive members of the Board of Directors of Cimpor, effective as of January 1, 2017, which translates into an effort to reduce the overall amount of this remuneration from 15% and 30%. Therefore, and unless there is a significant change of circumstances in the course of the financial year that provides grounds for an extraordinary review, the potential maximum amount of fixed remuneration payable to members of the corporate bodies of Cimpor in 2017 shall be the following:

Board of Directors	Annual Individual Fixed Remuneration⁽¹⁾ (Euros)
Chairman of the Board of Directors	€196.000,00
Chief Executive Officer	€112.000,00
Members of the Executive Committee (2)	€84.000,00
Chairman of the Audit Committee	€100.187,50
Members of the Audit Committee (2)	€86.187,50
Other members of the Board of Directors (1)	€66.937,50
Total⁽¹⁾	€ 815.500,00

¹⁰ This resolution was approved with the abstention of Manuel Soares Pinto Barbosa with regard to the remuneration of the members of the Audit Committee, given his family relationship with António Soares Pinto Barbosa, member of this supervisory body of Cimpor.

⁽¹⁾ Estimated gross amounts in force from 1 January 2017, subject to taxes and contributions payable under law, considering 8 full members of the Board of Directors.

The fixed remuneration amounts listed above are subject to a maximum variation of up to 5% to cover any exchange losses resulting from payment in a currency other than the euro.

Maintaining the existing conditions of restricting the achievement of the performance and results goals based on predefined criteria, the members of the Executive Committee of Cimpor can be awarded a variable remuneration, which shall only be payable if at least 80% of the goals are attained. The maximum potential variable remuneration will be equal to 50% of the fixed annual remuneration. Moreover, the value of the remuneration (fixed and variable) of executive directors takes into account their status of non-permanent residents in Portugal (with remuneration paid by InterCement in Brazil, outside the consolidation perimeter of Cimpor).

Without prejudice to the above, the Commission recommends that this item be re-examined in due time for an upward revision (if applicable) of the value of the remuneration of Cimpor's management, in line with the evolution of the company's results and the market.

Finally, it is worth mentioning that the maximum potential fixed remuneration payable to Deloitte & Associados SROC, S.A., for performing the role of Chartered Accountant of the accounts of Cimpor, in 2017, is still not defined. Nonetheless, a substantial change from the base values paid for the statutory audit of the individual and consolidated accounts of Cimpor in 2016 (approximately EUR 326,000 according to the company's Annual Report) is not expected.

ITEM 5 ON THE AGENDA

(RESOLVE ON THE CONVERSION OF THE SHARES OF THE COMPANY INTO SHARES WITHOUT NOMINAL VALUE, WITH THE CORRESPONDING AMENDMENT TO THE CURRENT ARTICLE FOUR, PARAGRAPH 2 OF THE COMPANY'S ARTICLES OF ASSOCIATION)

Board of Directors' Proposal:

“Whereas:

- i) Decree-Law no. 49/2010, of 19 May, introduced the ability for joint-stock companies to issue shares without nominal value, thereby making available to Portuguese companies an important instrument for the adjustment of its capital structures to the existing financial situation;
- ii) The availability of such instrument is particularly important for companies with shares traded in regulated markets, since it allows for greater flexibility in financing through equity;
- iii) Given that the Company's shares are traded in a regulated market and bearing in mind its current market value, it is important for the Company and its shareholders to be able to enjoy the benefits offered by this instrument in the context of potential capitalisations of the Company which may be deemed necessary or convenient.
