ENVEA Group marks its 40th anniversary and celebrates its worldwide team of staff awarding them with 40 free shares of the company

2018 is a significant year for the ENVEA group, marking both the 40th anniversary of the founding of the group and the successful launch of the new global **envea™** brand. Founded in 1978 by Francois Gourdon, now group President, ENVEA has operations in France, Italy, Germany, UK, USA, China and India, and employs over 600 people across those locations.

To mark the 40th anniversary of the company, and in recognition of the immense contribution that its dedicated team from around the world have made towards achieving this milestone, the company is proud to announce a significant investment in its team by awarding 40 free shares to every employee of the group on 2nd July 2018. This gift will be awarded to all staff at all levels and all locations demonstrating ENVEA's commitment to sharing the value being generated with the team that is helping build it.

Francois Gourdon, President and Chairman commented :

"The growth and success of the group could not have been achieved without the hard work and commitment from our talented team across the world. By recognising our staff in this way, we thank them for their contribution to the value that the group has already created and give them a stake in the future success that we intend to build."
