AMENDMENTS TO THE OFFERING CIRCULAR

Throughout this Supplement, text and numbers which have been added to the Offering Circular are underlined, and text and numbers which have been removed from the Offering Circular are shown with a strikethrough of such text and numbers.

The Offering Circular is hereby amended as follows:

1. Underwriting Agreement

The first paragraph of chapter “Plan of Distribution” on page 87 of the Offering Circular is hereby amended as follows:

In accordance with the terms and conditions contained in an underwriting agreement to be entered into prior to the consummation of the Offering (the “Underwriting Agreement”), we will sell to CRT, I-Bankers and AEK, and CRT, I-Bankers and AEK will purchase on a firm commitment basis, the number of Units offered in this Offering set forth opposite their names below:

<u>Underwriter</u>	<u>Number of Units</u>
CRT Capital Group LLC	6,250,000 <u>250,000</u>
I-Bankers Securities, Inc.	3,750,000 <u>250,000</u>
Amsterdams Effectenkantoor B.V.	2,500,000 <u>10,000,000</u>
Total.....	<u>12,500,000</u>

This Offering will be underwritten on a firm commitment basis. The initial distribution of the Units will end when (1) all of the Units have been sold or (2) the remaining Units have been deposited in proprietary accounts of the Underwriters. The Underwriters propose to offer the Units, comprising one Share and one Warrant, at the offering price set forth on the cover page of this Offering Circular. Any Units sold by the Underwriters to securities dealers will be sold at the public offering price less a selling concession not in excess of €0.20 per Unit. The Underwriters may allow, and these selected dealers may re-allow, a concession of not more than €0.20 per Unit to other brokers and dealers. CRT and I-Bankers will pay AEK €0.048 per Unit with respect to the 5,000,000 and 2,500,000 Units, respectively, that AEK will be committed to purchase from the Company pursuant to the Underwriting Agreement. After the Units are released for sale to the public, the offering price and other selling terms may, from time to time, be changed by the Underwriters.

2. Unit Purchase Option

In the paragraph ‘Unit Purchase Option’ (the seventh paragraph) on page 56 of the Offering Circular and in the third paragraph on page 89 of the Offering Circular the following sentence should be amended as follows:

Such Units will be allocated between CRT, I-Bankers and AEK ~~according to their respective percentages of Underwriting as agreed between them.~~

After the paragraph ‘Unit Purchase Option’ (the seventh paragraph) on page 56 of the Offering Circular and after the third paragraph on page 89 of the Offering Circular the following paragraphs should be included:

The holders of the Unit Purchase Option have the right to exercise the Unit Purchase Option on a “cashless basis”, that is, they have the right, but not the obligation, to pay the exercise price of the Unit Purchase Option by surrendering the Unit Purchase Option for that number of Shares and Warrants equal to the quotient obtained by dividing (x) the product of the number of Shares and Warrants underlying the Unit Purchase Option, multiplied by the difference between the exercise price of the Unit Purchase Option and the “fair market value” (defined below) by (y) the fair market value. The “fair market value” shall mean the sum

of the average reported last sale price of the Shares and of the Warrants for the 10 trading days ending on the third trading day prior to the date on which the notice of exercise is sent to us. Such a cashless exercise will reduce the number of Shares and Warrants to be issued upon exercise of the Unit Purchase Option and thereby lessen the dilutive effect of the Unit Purchase Option on our Shareholders.

The exercise price and number of Shares and Warrants issuable on exercise of the Unit Purchase Option may be adjusted in certain circumstances, including in the event of a stock dividend, stock split, stock combination, extraordinary dividend, or our recapitalization, reorganization, merger or consolidation. However, the exercise price and number of Shares and Warrants issuable on exercise of the Unit Purchase Option will not be adjusted for issuances of Shares at a price below the Unit Purchase Option exercise price.

3. Deferred Underwriting Fees

In the paragraph ‘Commissions and Discounts’ (the last paragraph) on page 88 of the Offering Circular the following sentence should be amended as follows:

Such Deferred Underwriting Fees will be allocated between CRT, I-Bankers and AEK according to their respective percentages of Underwriting as agreed between them.

4. Registrar

After the last sentence on page 57 of the Offering Circular a sentence should be included as follows:

The transfer agent, warrant agent, paying agent and registrar for our Shares and for our Warrants is Citibank, N.A., London branch. Citibank International plc, Netherlands Branch, Schiphol Boulevard 257, WTC DTwr fl 8, 1118 BH Luchthaven Schiphol, the Netherlands, is our Euroclear agent. The Company may involve one or more third parties for fulfilling the registrar function.

5. Global Certificates

After the second paragraph on page 58 and after the second paragraph on page 65 of the Offering Circular a sentence should be included as follows:

The Rule 144A Global Securities will be securities registered in the named of Cede & Co., as nominee of DTC, for which global certificates (aandeelbewijzen) will be deposited with a custodian for DTC.

6. Class A Shares

In the third paragraph on page 7, in the fourth paragraph on page 41 and in the second paragraph on page 42 the following sentence should be included:

7. Founding Shares
