

Contract awards DOF Subsea

DOF Subsea is pleased to inform that a key Renewables Client has awarded an extension to an ongoing subsea Construction contract in the North Sea.

In direct continuation of the ongoing project, Skandi Acergy shall be further utilized up to 169 vessel days.

The contract extension includes project management, engineering and range of bespoke equipment and services tailored towards the Renewables segment. The project shall be delivered by an integrated DOF Subsea team located in Aberdeen, Scotland.

DOF Subsea has also been awarded a new project in Trinidad & Tobago for the vessel Skandi Constructor. The project will commence in early January with an estimated duration of approximately 40 days plus mobilization and demobilization. The vessel, already in Trinidad after completion of a light construction project.
