About HYON AS | www.hyon.energy

HYON delivers fast and safe bunkering of hydrogen for ships. We make sure that hydrogen can be transferred from shore to ships, both as a stand-alone fueling solution and as an integrated solution combining production, storage and distribution on a barge. HYON was founded in 2017, is headquartered in Oslo, Norway and is backed by owners including Saga Pure, Norwegian Hydrogen and Nel. HYON is on a mission to accelerate the energy transition in the maritime sector, aiming to be the leading provider to bunkering solutions for hydrogen.
