Announcing new distributor agreement between Astral Pool UK and BIO-UV Group

BIO-UV Group (Euronext Growth® - FR001334549 - ALTUV), a specialist in water treatment and disinfection systems by UV, Ozone, Salt Electrolysis and AOP, and Astral Pool UK Ltd. are pleased to announce the signature of a new distribution partnership. The new agreement appoints Astral Pool UK Ltd. for the exclusive distribution of the Group's UV water treatment solutions for the UK and Ireland domestic pools and spas market.

This new partnership with Astral Pool UK Ltd. will bring an even more dynamic relationship between the manufacturing and distribution companies and will contribute to strengthening the already successful business relationship that has existed with Fluidra and BIO-UV Group throughout Europe for many years. With the present partnership, BIO-UV Group and Astral Pool UK bring to the customers of these territories a dedicated pre- and post-sale support, guaranteeing the best possible experience and local service.

Simon Marshall, Deputy General Manager of BIO-UV Group & Triogen® Managing Director, commented: « we are delighted to partner with Astral Pool UK, part of Fluidra, being recognised as the experts to build, remodel or maintain a residential or commercial pool, water park, spa and wellness center. A market leader in the UK for over 30 years through its triogen® subsidiary, BIO-UV Group is delighted to reinforce the service and commitment to its customers through this important collaboration. »

Dyfed Thompson Smith, General Manager, Astral Pool UK Ltd., added: « A major player in manufacturing UV systems, we are happy to rely & work collaboratively with BIO-UV Group's robust and high value-added technologies to offer sustainable solutions to our customers. »
