### About Precia Molen

PRECIA MOLEN designs and manufactures, sells and maintains systems and solutions of industrial and commercial static weighing and of continuous weighing and dosing equipment. Main clients are heavy industries (mines, quarries, steel, environment, energy...) and light industries (food, chemicals, transportation and logistics...) and also public sectors (posts, local authorities...). Formed in 1951, and based at Privas in Ardèche, PRECIA MOLEN is now present in all five continents, serving the needs of its customers locally. The group has nine production sites around the world, with over 1350 employees altogether. PRECIA MOLEN is listed on NYSE-Euronext Paris compartment B (code ISIN FR0014004EC4 - Mmemo: PREC).
