

PRESS RELEASE

Duiven, the Netherlands, November 14, 2024 - BE Semiconductor Industries N.V. (the "Company" or "BesI") (Euronext Amsterdam: BESI; OTC markets: BESIY), a leading manufacturer of assembly equipment for the semiconductor industry, noted today recent media articles referring to a potential strategic combination involving the Company. BesI does not respond to market rumors. The Company is fully committed to the execution of its strategic plan to enhance shareholder value as an independent company.

About BesI

BesI is a leading supplier of semiconductor assembly equipment for the global semiconductor and electronics industries offering high levels of accuracy, productivity and reliability at a low cost of ownership. The Company develops leading edge assembly processes and equipment for leadframe, substrate and wafer level packaging applications in a wide range of end-user markets including electronics, mobile internet, cloud server, computing, automotive, industrial, LED and solar energy. Customers are primarily leading semiconductor manufacturers, assembly subcontractors and electronics and industrial companies. BesI's ordinary shares are listed on Euronext Amsterdam (symbol: BESI). Its Level 1 ADRs are listed on the OTC markets (symbol: BESIY) and its headquarters are located in Duiven, the Netherlands. For more information, please visit our website at www.besi.com.
