

## Press Release

### MAXI-PRESS expands its activities in Australia and New Zealand through acquisition of Filterfab.

On September 29, 2025, MAXI-PRESS, a subsidiary of the JENSEN-GROUP, signed the purchase of the operations of Filterfab Pty Ltd in Australia, and the shares of Filterfab NZ Limited in New Zealand. Both companies are active in the consumables business for heavy-duty laundry operations and are beneficially owned by Clifford Andrew.

The transaction will impact the consolidated revenue and profitability of the JENSEN-GROUP with less than 5%.

This acquisition will enable the JENSEN-GROUP to further expand its activities within the after-sales business. "Following our acquisition of MAXI-PRESS a year ago, we have swiftly expanded our presence, positioning MAXI-PRESS as a global brand in laundry consumables," says Jesper M. Jensen, CEO of the JENSEN-GROUP.

#### About Filterfab

Filterfab is a leading provider of laundry and healthcare products to healthcare, education and laundry services customers in Australia and New Zealand. The company manufactures and distributes a range of products including consumables, spare parts and services for the laundry and healthcare industry in Australia and New Zealand. Filterfab has operated in Australia for nearly 50 years, and separately in New Zealand since 1994. Together, the two companies employ 33 people.

## About the JENSEN-GROUP

The JENSEN-GROUP, listed on Euronext Brussels, assists heavy-duty laundries worldwide to provide quality textile services economically. We have become a preferred supplier in the laundry industry by leveraging our broad laundry expertise to design and supply sustainable single machines, systems and integrated solutions. We are continuously growing by extending our offer and by developing environmentally friendly and innovative products and services that address specific customer needs. The JENSEN-GROUP is the top-of-mind supplier when it comes to sustainable solutions through its CleanTech concept, highly automated material handling solutions as well as groundbreaking new approaches utilizing robotics and AI in industrial laundries. Our success results from combining our global skills with our local presence. The JENSEN-GROUP has operations in 22 countries and has distribution in more than 50 countries. As per June 30, 2025, the JENSEN-GROUP employs worldwide 2,171 employees.
