

Acomo closes acquisition of Manuzzi S.r.l. nuts and dried fruit business in Italy

ROTTERDAM (NL), 18 NOVEMBER 2025

Today, ACOMO N.V. (Acomo), the Euronext Amsterdam-listed diversified, plant-based food ingredients Group, announces that the acquisition of Manuzzi S.r.l. headquartered in Cesena (Italy), has been completed.

Manuzzi is a leading Italian nuts & dried fruits business and is active in the import, nationwide distribution and sales of a wide range of nuts, seeds, kernels, dried fruits and pulses to wholesale and retail customers, the food industry and the Out-of-Home market. It successfully runs its own retail brand Manuzzi, tailored products for various private label customers, and a plant facility with packaging lines located in Cesena (Italy). Acomo's new subsidiary complements the existing activities of group companies in the Spices & Nuts segment. Manuzzi will continue to conduct business in line with its entrepreneurial heritage, and together with Acomo group companies where feasible.

The acquisition is in line with Acomo's strategy outline 'Building routes to healthier foods' as presented at the Capital Markets day on 7 April 2025. The strategy which specified, amongst others, that further new investments in the Spices & Nuts segment are at the top of the Group's agenda. With the acquisition of Delinuts Nordics last year, Acomo already expanded its footprint to the Scandinavian market. The acquisition of Manuzzi gives the Group a footprint into Southern Europe as well.
