

► **Press Release**

Number of shares and voting rights of Ikonisys SA as of December 23, 2025

Paris, December 23, 2025 – 8:00pm CET

Pursuant to the article L. 233-8 II of the French “Code de Commerce” and the article 223-16 of the French stock-market authorities (Autorité des Marchés Financiers, or “AMF”) General Regulation, **Ikonisys SA (Euronext Growth Paris: ALIKO)** (“Ikonisys” or “the Company”) releases its total number of shares outstanding as well as its voting rights as of December 23, 2025:

Total number of shares outstanding:	15,843,148 ordinary shares
Total number of theoretical voting rights (1):	21,574,495
Total number of exercisable voting rights (2):	21,551,246

(1) The total number of theoretical voting rights (or “gross” voting rights) is used as the basis for calculating the crossing of shareholding thresholds. In accordance with Article 223-11 of the AMF General Regulation, this number is calculated on the basis of all shares to which voting rights are attached, including shares with double voting rights and shares whose voting rights have been suspended.

(2) The total number of exercisable voting rights (or “net” voting rights) is calculated without taking into account the shares held in treasury by the Company, with suspended voting rights. It is released so as to ensure that the market is adequately informed, in accordance with the recommendation made by the AMF on July 17, 2007.

About ALIKO SCIENTIFIC (Ikonisys SA)

Headquartered in Paris, ALIKO SCIENTIFIC is the parent company of an international ecosystem of businesses dedicated to advancing oncology diagnostics. Listed on Euronext Growth Paris under the ticker ALIKO, the company coordinates industrial, financial and research activities through its subsidiaries: Ikonisys Inc. Disclaimer

This press release contains forward-looking statements about the Company's prospects and development. These statements are sometimes identified by the use of the future tense, the conditional tense and forward-looking words such as "believe", "aim to", "expect", "intend", "estimate", "believe", "should", "could", "would" or "will" or, where appropriate, the negative of these terms or any other similar variants or expressions. This information is not historical data and should not be construed as a guarantee that the facts and data set forth will occur. This information is based on data, assumptions and estimates considered reasonable by the Company. It is subject to change or modification due to uncertainties relating to the economic, financial, competitive and regulatory environment. This information contains data relating to the Company's intentions, estimates and objectives concerning, in particular, the market, strategy, growth, results, financial situation and cash flow of the Company. The forward-looking information contained in this press release is made only as of the date of this press release. The Company does not undertake to update any forward-looking information contained in this press release, except as required by applicable law or regulation. The Company operates in a competitive and rapidly changing environment and therefore cannot anticipate all of the risks, uncertainties or other factors that may affect its business, their potential impact on its business or the extent to which the materialization of any one risk or combination of risks could cause results to differ materially from those expressed in any forward-looking information, it being recalled that none of this forward-looking information constitutes a guarantee of actual results.
