This regular update of the transactions conducted under the share repurchase program is made public under the Market Abuse Regulation (No. 596/2014/EU).

New € 100 Million Share Repurchase Program

On October 22, 2026, Besi announced the initiation of a new € 100 million share repurchase program effective October 27, 2026. The program is aimed at general capital reduction purposes and to help offset dilution from share issuance related to employee stock plans. It will be funded using Besi's available cash resources and is expected to be completed by October 2027. At present, Besi has authority until October 23, 2027, to purchase up to 10% of its shares issued, or approximately 8.1 million shares.

The program will be executed in accordance with industry best practices and in compliance with European buyback rules and regulations and may be suspended or discontinued at any time. The program will be managed by an independent brokerage firm. All purchases will be executed through Euronext Amsterdam and Multilateral Trading Facilities as defined by the Directive 2014/65/EU of the European Parliament and of the Council of May 15, 2014, on markets in financial instruments and subject to the rules of the relevant Exchange.

About Besi

Besi is a leading manufacturer of assembly equipment supplying a broad portfolio of advanced packaging solutions to the semiconductor and electronics industries. We offer customers high levels of accuracy, reliability and throughput at a lower cost of ownership with a principal focus on wafer level and substrate assembly solutions. Customers are primarily leading semiconductor manufacturers, foundries, assembly subcontractors and electronics and industrial companies. Besi's ordinary shares are listed on Euronext Amsterdam (symbol: BESI). Its Level 1 ADRs are listed on the OTC markets (symbol: BESIY) and its headquarters are located in Duiven, the Netherlands. For more information, please visit our website at www.besi.com.
