## About Nordic Aqua Partners

Nordic Aqua Partners is a Nordic land-based salmon farming company, using cutting-edge Nordic technology and expertise to set up the first fully integrated and commercially scaled Recirculating Aquaculture System [RAS] farm for Atlantic salmon located in Ningbo, China. With operations in place, Nordic Aqua Partners will be the first local producer of truly sustainable and fresh salmon to the Chinese market. The current business plan is for an annual production of 20,000 tonnes HOG.
