

## **Huddlestock Fintech AS (OSE: HUDL) expert consultancy business Visigon achieves Gazelle status. Enters list of top 1% companies in Denmark.**

19.12.2022 14:05:35 CET | Huddlestock Fintech AS | Non-regulatory press releases

Huddlestock is delighted that its expert consultancy Visigon has achieved the status of a Gazelle, a status awarded to Denmark's fastest growing companies. Named a Gazelle, and included in the prestigious Børsen Gazelle 2022 list of the top 1% companies, the award celebrates and recognises Visigon as one of the fastest growing companies in Denmark. It is a great honour to be included in the prestigious list of companies and it confirms our consultant's excellence in strategic technology solutions for the financial services industry.

*"We are extremely proud of our team at Visigon. Their expertise and hard work have been recognised with this prestigious achievement. We would like to thank all our consultant colleagues for their continued passion for building lasting value for our customers, and their hard work to ensure that we continue to provide professional services that shape tomorrow's solutions. Importantly, we would also like to thank our customers and partners for their continued business and collaboration,"* said John E. Skajem, Group CEO, Huddlestock Fintech AS.

*"On behalf of the team, I am thrilled that Visigon has been awarded the prestigious Gazelle nomination in 2022. A privilege awarded to less than 1% of all Danish companies every year, it firmly recognizes the excellent achievements our expert consultants continue to deliver for our clients. We are immensely proud to be part of Denmark's growth elite,"* says Petter Midsian, CEO Visigon.

Visigon, Huddlestock's expert consultancy, are world class experts in delivering innovative and industry leading strategic technology solutions, and process automation for the financial services industry. Our consultants have a unique combination of technical expertise and knowledge of financial markets, that enable us to offer a wide range of services including business analysis, software design, development, and project management. Visigon ensures sustainable solutions for all aspects of trading, risk management and post-trade operations to banks and other financial institutions. Visigon has offices in Stockholm and Copenhagen.
