Copenhagen, Date Jan 23, 2023

5th PLANET GAMES, SKYBOUND ENTERTAINMENT AND GOODBYEWORLD GAMES BRING THE AWARD-WINNING 'BEFORE YOUR EYES' TO PLAYSTATION VR2 ON MARCH 10th

The unparalleled VR edition of the emotional narrative experience where players control the game with their eyes is available for pre-order from January 26th

COPENHAGEN, January 23, 2023 – 5th Planet Games A/S (OAX: 5PG) is delighted to announce that alongside publisher Skybound Entertainment and developer GoodbyeWorld Games that the BAFTA award-winning title *Before Your Eyes* will launch globally for PlayStation® VR2 on March 10, 2023. The game will be available for pre-order January 26th on the PlayStation Store.

Before Your Eyes is entirely controlled through the eyes of the player. This new edition uses the VR headset's front-facing camera to create a one-of-a-kind immersive story. Players will learn to control the flow of the narrative with eye-blinking and head tracking, making this the first time that *Before Your Eyes* can be played without controller inputs. By combining its innovative blink interaction mechanic with a charming world and a fully voice-acted story starring Sarah Burns and Eric Edelstein, *Before Your Eyes* is a deeply emotional and relatable journey, one about the impossible expectations we place on ourselves and the regrets we carry with us.

Commenting on the announcement, Mark Stanger, CEO, 5th Planet Games, said “Launching this award-winning experience on VR is great news for 5PG and our shareholders. The game has been a huge critical success on PC and mobile already, and now *Before Your Eyes* will stand out with recognition and featuring by Sony, as they expand the global market for VR”

Before Your Eyes was one of the original titles included in 5th Planet Games' 2021 investment agreement with Skybound and has seen consistent critical and commercial success since its first release in April 2021.
