About Hynion

Hynion builds and operates hydrogen stations in and around the largest cities in Scandinavia. The company builds on experience from the last 20 years, including world-leading projects such as HyNor, CUTE, Utsira wind / hydrogen, CEP Berlin, SHHP, NewBusFuel and H2ME, to name a few. The company's management also has extensive experience in establishing and running start-ups and many years of experience in the automotive industry. www.hynion.com
