SUMMONS TO BONDHOLDERS' MEETING

Nordic Trustee AS (the "**Bond Trustee**") acts as trustee for the bondholder (the "**Bondholders**") in the above mentioned bond issues (the "**Bonds**" or the "**Bond Issues**") issued by Nova Austral S.A. as issuer (the "**Issuer**", and together with each other Group Company and Piscicultura, the "**Nova Austral Group**").

All capitalised terms used but not defined herein shall have the meaning assigned to them in the bond terms made between the Bond Trustee and the Issuer and originally dated 30 June 2017, as amended and/or restated by an amendment and restatement agreement dated 8 October 2020, an amendment agreement no. 2 dated 21 October 2021, an amendment agreement no. 3 dated 23 February 2022, an amendment agreement no. 4 dated 9 November 2022 and as further amended through a written resolution dated 16 November 2022 (the "**Bond Terms**"), unless otherwise stated herein. References to Clauses and paragraphs are references to Clauses and paragraphs in the Bond Terms.

The information in this summons ("**Summons**") regarding the Issuer, the market conditions and the described transactions is provided by the Issuer, and the Bond Trustee expressly disclaims all liability whatsoever related to such information. Bondholders are encouraged to read this Summons in its entirety.

1 BACKGROUND

Due to operational challenges and liquidity constraints, the Issuer is unable to meet its financial obligations and working capital requirements without receiving additional funding. As disclosed by the Issuer on 4 March 2023, the Issuer is in default under the Revolving Credit Facilities, which in turn triggered a cross default under the Bonds, and Piscicultura is in breach under the Piscicultura Indebtedness. The Issuer was also unable to pay the interest due on the Second Lien Bonds on 31 March 2023.

To remedy the Issuer's and Piscicultura's breach of the finance agreements and to address these challenges, the Issuer and the Sponsors have continued its discussions with a group of the larger Bondholders (the "**Ad Hoc Group**") and the Nova Austral Group's main finance creditors (the "**Finance Creditors**", and together with the Sponsors, the Issuer and the Ad Hoc Group, the "**Parties**") to seek to significantly deleverage the Nova Austral Group by reducing the net debt, to improve its working capital and to find a long-term solution that addresses the liquidity challenges of the Nova Austral Group.

Based on such discussions, the Parties have agreed in principle to a consensual financial restructuring of the Nova Austral Group's capital structure (the "**Restructuring**") on the terms of the consensual restructuring term sheet attached as Appendix 2 to this Summons (the "**Restructuring Term Sheet**").

For further information about the Issuer's operational and financial status, please see the Issuer's Interim Accounts for the quarter ending 31 December 2022 available under the Issuer's ticker at www.newsweb.no.

The Issuer has informed the Bond Trustee that Bondholders holding more than 50% of the Outstanding Bonds in each Bond Issue have confirmed to the Issuer that they are supportive of the proposed amendments as set out in the Restructuring Term Sheet and the Proposal.

2 SUMMARY OF THE RESTRUCTURING

2.1 Key terms of the Restructuring

The Restructuring provides the implementation of a comprehensive financial and corporate restructuring of the Nova Austral Group, and will comprise (summary of main features only, please see the Restructuring Term Sheet for further detail):

Liquidity support to the Nova Austral Group:

As soon as possible after the approval of the Restructuring by the Bondholders, and subject to the satisfaction of the conditions precedent set out in section 11 (*Conditions precedent to the Facility C Implementation Date*) of the Restructuring Term Sheet, certain key Bondholders (the "**Facility C Lenders**") will provide liquidity support to the Nova Austral Group in the amount of up to USD 20,000,000 in the form of a new tranche ("**Facility C**") as a term loan under the Revolving Credit Facilities (fronted and backstopped by the New Sponsor). The principal of Facility C will be USD 1,000,000 higher than the amount of the liquidity support provided, which shall be set off against an equivalent backstop consideration to the New Sponsor.

Alternative 1: Restructuring with equitisation of the Bonds

Upon the election by the New Sponsor (acting on instructions from lenders contributing with at least 50% of Facility C), and if all of the conditions precedent for the Restructuring set out in section 12 (*Conditions precedent to the Restructuring Implementation Date*) have been satisfied or waived on or before 19 June 2023 or such later date agreed among the Finance Creditors and the Company (the "**Long Stop Date**"), then the Restructuring will be completed as follows:

- a) Prior to the Restructuring Implementation Date, two new Chilean special purpose companies ("**NewCo**" and "**SPV**") will be incorporated, with SPV as a wholly owned Subsidiary of NewCo.
- b) On or about the date of implementation of the Restructuring (the "**Restructuring Implementation Date**") all amounts outstanding under the First Lien Bonds in excess of USD 200,000,000 and under the Second Lien Bonds in excess of USD 100,000,000, together with the interest payment due on the Second Lien Bonds on 31 March 2023 and all interest accrued under the Bonds between the Interest Payment Date in November 2022 and the Restructuring Implementation Date (inclusive) will be forgiven/cancelled.
- c) NewCo will on the Restructuring Implementation Date conduct a capital increase and increase its number of shares to 100,000 (which capital increase will be payable within a 5-year term) (the "**NewCo Shares**"), and 10,000 NewCo Shares will be transferred to the key Bondholder that will replace the Sponsors as provider of the Facility B Security (as defined below), and 10,000 NewCo Shares will be transferred to the Bondholders in exchange for the contribution of all the First Lien

Bonds and Second Lien Bonds to NewCo. The number of NewCo Shares allocated to each Bondholder will be calculated as the product of (x) 10,000 and (y) a fraction the numerator of which is the number of Bonds held by that Bondholder and the denominator of which is total number of Bonds, in each case as of the Restructuring Implementation Date, after the partial cancellation of Bonds set out in paragraph a) above, and subject to rounding down to the nearest whole number.

- d) As a consequence of the contribution of the Bonds to NewCo, NewCo will be the holder of the Bonds and the creditor of the Issuer for USD 300,000,000, and the Bondholders will hold 10% of the NewCo Shares, representing 50% of the issued and paid shares of NewCo, the Facility B guarantors will hold 10% of the NewCo Shares, representing 50% of the issued and paid shares of NewCo, and 80% will be pending payment (conversion) by Facility C lenders, which must occur within 5 years.
- e) The remaining bond debt (USD 300,000,000) held by NewCo will be converted into a new debt instrument, whereby it:
- will be unsecured;
 - will be subordinated;
 - will not be amortizing;
 - will not accrue interest;
 - will convert into equity in the Issuer automatically upon the occurrence of an Acceleration Event;
 - shall be convertible into equity in the Issuer upon the instruction of the lenders under Facility A under the Revolving Credit Facilities following an Event of Default (as defined in the Revolving Credit Facilities) which is continuing; and
 - shall be convertible into equity of the Company upon the instruction of the Facility C Lenders.
- f) On or before 31 December 2026 of the Restructuring Implementation Date, NewCo will convert its credit (Bond USD 300 million) into equity in the Company, for which the Company will have to make a capital increase.
- g) A convertible bond shall be issued by NewCo (the "**Convertible Bonds**"), which on a fully converted basis will represent an 80% ownership interest in NewCo. The Convertible Bonds will have to be converted within the fifth anniversary of the Restructuring Implementation Date. The Convertible Bonds will have two conversion options:
- Option 1: Each holder of the Convertible Bonds may at any time convert its Convertible Bonds into Series B shares of NewCo, without voting rights, which shall be Series B until the fifth anniversary of the Restructuring Implementation Date, at which they will be converted into ordinary shares of NewCo.
 - Option 2: All Convertible Bonds that have not previously been converted will at the fifth anniversary of the Restructuring Implementation Date be converted into ordinary shares in NewCo.
- h) Substantial amendments will be made to the Revolving Credit Facilities and the Piscicultura Indebtedness as further described in the Restructuring Term Sheet, including, but not limited to:

- (i) extension of the tenor to 31 March 2027;
 - (ii) reduction of the margin on certain of the facilities;
 - (iii) removal of certain operational undertakings, increasing the operational flexibility of the Issuer;
 - (iv) adjustment to financial covenants and general undertakings; and
 - (v) amendments to the collateral securing the two facilities.
- i) The security currently provided by the Sponsors for the Sponsor Liquidity Facility will be replaced by corresponding security in the amount of 110% of Facility B (including any capitalised interest (initially USD 16,500,000)) from a key Bondholder (the "**Facility B Security**"), and Facility B will be converted to a term loan.
 - j) The facilities will rank in the following order (in a payment waterfall): Facility A (first), then Facility B and Facility C (*pari passu*, second).
 - k) Each Bondholder will be offered the opportunity to participate in Facility C on a pro rata basis by way of sub-participation in exchange for a pro rata portion of the Convertible Bonds based on the number of Bonds held by that Bondholder as of the Restructuring Implementation Date. For a Bondholder to subscribe for a sub-participation in Facility C, subscription has to be made in accordance with an invitation that will be made by NewCo separately.
 - l) Each of the Bond Trustee and each Finance Creditor will waive, release and discharge any current, future, actual or contingent claims, actions, proceedings, liabilities, rights and demands, of whatsoever nature and howsoever arising, it had, may have or hereafter may have against any director of any Group Company, the Sponsors, their Affiliates and their respective directors, employees and other related persons.

Alternative 2: Competitive Selling Process

Should the New Sponsor (acting on instructions from lenders contributing with at least 50% of Facility C) chose not to proceed with Alternative 1 (Restructuring with equitisation of the Bonds) above or should no election have been made by the New Sponsor within the Long Stop Date, the Parent and the Ultimate Parent will sell the shares in the Company by way of a voluntary sale pre-agreed between the Parent and all Creditors on a debt-free basis (whereby all security is released and any residual claims under the Financing Agreements which are not covered by the sales proceeds are released), conducted as a competitive selling process led by the Investment Bank and respecting the priorities set under the Intercreditor Agreement.

2.2 Actions required by Bondholders to receive NewCo Shares

Upon completion of the Restructuring by way of an equitisation of the Bonds, all of the Bonds (including any accrued and unpaid interest thereon) will be exchanged for NewCo Shares. The NewCo Shares that each of the Bondholders is entitled to receive will be delivered as registered shares in NewCo's shareholders' register, and will not be registered in the CSD (VPS). Further information on how the Bondholders will be able to receive NewCo Shares will be provided in advance of the Restructuring Implementation Date.

3 THE PROPOSAL

Based on the above and in order to implement the Restructuring, the Issuer has requested the Bond Trustee to summon a Bondholders' Meeting to propose that the Bondholders resolve to approve the following proposal (the "**Proposal**"):

The Bondholders:

- a) approve and authorise the implementation of the Restructuring on the terms of and as described in the Restructuring Term Sheet on or before Long Stop Date, including the pre-approval of the voluntary sale through a competitive selling process referred to in Alternative 2 (*Competitive Selling Process*) above;
- b) subject to the terms of the Restructuring Term Sheet, instruct the Bond Trustee (in consultation with its advisors) to take such steps on behalf of the Bondholders as may be necessary or desirable in connection with the implementation of the Restructuring as described in the Restructuring Term Sheet;
- c) agree that the Bond Trustee may at its discretion consent to amendments to the terms of the Restructuring Term Sheet on behalf of the Bondholders where such amendments (i) are of a minor or technical nature, (ii) are otherwise consistent with the Restructuring Term Sheet and are required in order to implement the Restructuring, or (iii) would not adversely affect the position of the Bondholders; and
- d) agree that the Bond Trustee exercise (or refuse to exercise) any discretion, consent or approval required or contemplated in the exercise (or non-exercise) of any such discretion which is connected with the matters referred to in the Restructuring Term Sheet, including with respect to satisfaction or waiver of the conditions precedent to the restructuring as set forth in the Restructuring Term Sheet.

4 CONDITIONS PRECEDENT

Implementation of the Proposal shall be subject to, and will only be effective upon, the satisfaction of the conditions precedent set out in section 11 (*Conditions precedent to the Facility C Implementation Date*) and section 12 (*Conditions precedent to the Restructuring Implementation Date*) of the Restructuring Term Sheet by the Long Stop Date, provided, however, that Facility C may be incurred by the Issuer as soon as the conditions precedent set out in section 11 (*Conditions precedent to the Facility C Implementation Date*) have been satisfied.

5 EVALUATION OF THE PROPOSAL

5.1 The Issuer's evaluation

In structuring the Restructuring, the Issuer has carefully considered the interests of all of its stakeholders, in light of their relative priorities in the capital structure, and the board of directors of the Issuer is of the view that the proposed Restructuring is in the best interest of the Issuer's, given the current circumstances.

5.2 The Bond Trustee's disclaimer/non-reliance

The Proposal is put forward to the Bondholders without further evaluation or recommendation from the Bond Trustee, and the Bond Trustee emphasises that each Bondholder should cast its vote based on its own

evaluation of the Proposal. Nothing herein shall constitute a recommendation to the Bondholders by the Bond Trustee. Each Bondholder should independently evaluate whether the Proposal is acceptable and vote accordingly. The Bond Trustee urges each Bondholder to seek advice in order to evaluate the Proposal.
