

Kongsberg Automotive plants to function as usual following an agreement reached in the Norwegian national strike

Zurich, April 20, 2023: Following an agreement reached between the Norwegian United Federation of Trade Unions and Federation of Norwegian Industries, Kongsberg Automotive employees organized in Fellesforbundet and FLT at Raufoss and Hvitvingfoss have called off the announced national labor union strike, which was to come into effect from April 21, 2023.

The preparation for the strike has not led to any loss of revenues for KA. The operational impact is also limited.
