About DOF Group ASA

With a multi-national workforce of about 4,000 personnel, DOF Group ASA is an international group of companies which owns and operates a fleet of modern offshore/subsea vessels, and engineering capacity to service both the offshore and subsea market. With over 40 years in the offshore business, the group has a strong position in terms of experience, innovation, product range, technology, and capacity. DOF's core businesses are vessel ownership, vessel management, project management, engineering, vessel operations, intervention, and diving operations primarily for the oil and gas sector. From PSV charter to Subsea engineering, DOF offers a full spectrum of top quality offshore services to facilitate an ever-growing and demanding industry.

The Company's main operation centers and business units are located in Norway, the UK, the USA, Singapore, Brazil, Argentina, Canada, Angola, and Australia.
