### About Huddlestock Fintech AS

#### About Huddlestock:

Huddlestock is a leading provider of investment and wealth management SaaS solutions and services. We provide the technology, expertise and support that financial institutions need to launch or transform an investment offering. Our modular approach to cloud software helps firms around the world – from fintech startups to established banks, neobanks, wealth and asset managers – deploy innovative solutions with flexibility and speed. With a team made up of ex-industry practitioners and wealth technology experts, we also provide professional services and operations outsourcing that drive performance, innovation and growth for our customers. Huddlestock is listed on the Euronext Growth market.
