About Seacrest Petroleo

Seacrest Petroleo is an independent oil and gas production company with an integrated portfolio of onshore producing oil fields and export infrastructure onshore in Espírito Santo, Brazil. The fields have estimated oil and gas in place volumes of 1.2 billion barrels of oil equivalents and certified 2P reserves of 144 million barrels of oil equivalents. The Company has exclusive control over its infrastructure, continuously from field production to offshore tanker loading terminal, allowing for cost-effective operations, and enabling direct access to markets for its premium grade products. The Company has offices in Bermuda, Norway and Brazil.
