

Announcement no. 25/2024
Copenhagen, Nov 19th 2024

Digital and Physical Editions of *Stray* Available Now for Nintendo Switch

Physical Editions of the game are being distributed across the Nordic region by 5th Planet Games in partnership with Nordisk Interactive A/S

COPENHAGEN – Nov 19th 2024 - 5th Planet Games A/S (OAX: 5PG), ***Stray***, the critically acclaimed third-person cat adventure game, has made its long-awaited debut on Nintendo Switch today. From publisher Annapurna Interactive and developer BlueTwelve Studio, and in partnership with distributor Skybound Games, the Nintendo Switch physical edition of ***Stray*** is now available to purchase for \$39.99 / €39.99 / £34.99 from global retailers and online storefronts. The digital version is also available via the Nintendo eShop.

All Physical Editions of the game will be distributed across the Nordic region by 5th Planet Games under its partnership agreement with Nordisk Interactive which was announced in April of this year.

In ***Stray***, players take the role of a stray cat amidst the detailed, neon-lit alleys of a decaying cybercity and the murky environments of its seedy underbelly. Roam surroundings high and low, defend against unforeseen threats and solve the mysteries of this unwelcoming place inhabited by curious droids and dangerous creatures. See the world through the eyes of a cat and interact with the environment in playful ways. Be stealthy, nimble, silly, and sometimes as annoying as possible with the strange inhabitants of this mysterious world.

About 5th Planet Games

5th Planet Games is a video games publisher and financier located in Copenhagen, active in games across all global platforms and devices. It has a long and successful history of working with established brands and strong IP. Now, in partnership with Skybound Entertainment, the company will extend access to compelling, global IP such as *The Walking Dead* and *Invincible*.
