

## **DOF Group ASA – Subsea mooring installation contract award in the APAC region**

DOF Group ASA (“DOF”) is pleased to announce a Substantial contract award for subsea mooring installation services in the APAC Region. The contract will utilise Skandi Hercules with related moorings and installation subsea services. The scope of work includes DOF’s in-house project management and engineering, procurement and logistics support services.

Offshore execution in West Australian waters is scheduled in Q3 2025 with the vessel engaged on the project for approximately 2 months.

Mons Aase, CEO DOF Group ASA, said: “The award secures substantial backlog for the APAC region in the second half of 2025, and we look forward to delivering a safe and successful project.”

DOF defines a Substantial contract as a contract with value between USD 25 million and 50 million.
