About ReFuels

ReFuels is decarbonising Europe's truck fleet through its 40% ownership of CNG Fuels - a fully integrated clean fuel infrastructure platform combining sourcing of renewable biomethane (Bio-CNG), Renewable Transport Fuel Certificates (RTFCs) and ownership and operation of the UK's largest clean fuel station network. By the end of 2028, the target is to have a capacity to serve 20,000 heavy goods vehicles per day, while the long-term ambition is to become Europe's leading integrated supplier of alternative fuels for commercial fleets.
