

**Approval of prospectus for listing of bonds on Euronext Oslo Børs**

Reference is made to the senior secured bonds issued by Geoquip Marine Services P.L.C. (the "Company") on 1 April 2025 with ISIN NO0013511121 (the "Bonds"), currently admitted to trading on Nordic ABM under the instrument ticker GQMS01 PRO.

The Financial Supervisory Authority of Norway has today approved a listing prospectus for the admission to trading of the Bonds on Euronext Oslo Børs. A link to the prospectus with appendices will be available on the website of the group: [www.geoquip-marine.com](http://www.geoquip-marine.com).

The Company will shortly apply for admission of the Bonds to trading on Euronext Oslo Børs (and consequently a delisting from Nordic ABM). Commencement of trading of the Bonds on Euronext Oslo Børs is expected on or about 12 March 2026.
