

## Objective

The Euronext Tech Croissance index tracks the performance of the Technology-oriented stocks admitted to listing on the Euronext markets, and filtered by market capitalisation and traded value. Constituents are reviewed once a year and they are weighted based on their full market capitalisation. The index serves as an underlying for structured products, funds and exchange traded funds.

## Investability

Stocks are screened to ensure liquidity to ensure that the index is investable.

## Transparency

The index rules are available on our website. Euronext acts as Supervisor. All our rulebooks can be found on the following webpage: <https://live.euronext.com/en/products/indices/indices-documents-by-family>.

## Statistics

**December 31, 2023**

Market Capitalization		Performance		Fundamentals
