

Euronext® Green Planet France

Objective

The Euronext® Green Planet France index tracks the performance top 35 stocks in terms of free float market capitalisation with the highest Environmental performance score included in the SBF 120 index. The Environmental score is provided by Vigeo-Eiris. Constituents are reviewed quarterly and they are weighted based on their normalized Environmental performance score. The index serves as an underlying for structured products, funds and exchange traded funds.

Investability

Stocks are screened to ensure liquidity to ensure that the index is investable.

Transparency

The index rules are available on our website. Euronext acts as Supervisor. All our rulebooks can be found on the following webpage: <https://live.euronext.com/en/products-indices/index-rules>.
