BENCHMARK STATEMENT

The Benchmark Statement identifies the primary features of an index family or families of indices in the context of the EU Benchmark regulation. For indices that pursue ESG objectives or that take into account ESG factors, it also contains a link to the '*ESG Report*' where users can find disclosure of ESG factors.

ESG REPORT

For indices that pursue ESG objectives or that take into account ESG factors, this document contains disclosure of ESG factors and reporting of scores. This is a transparent and comparable report where all ESG data displayed in this report comes from ISS ESG. All details of the scores and metrics are further explained in the '*ESG Report Disclosures Definitions*' document. Be aware that the use of data from a different ESG data providers in the index construction may leads to different results in the reported ESG figures in this document.

COMPLIANCE STATEMENT

The Compliance Statement provides details, for both significant and non-significant benchmarks, for which provisions the Administrator has chosen not to apply, and offers an explanation as to why it is appropriate not to apply each provision.

GOVERNANCE EURONEXT INDICES

The purpose of the '*Governance Euronext Indices*' is to describe the role and responsibilities of each of the governance bodies that are part of the Benchmark Administrators of Euronext.

RULEBOOK OF EACH FAMILY OF INDICES

Each index is part of an index family that shares the basis for selection (universe) and which is managed in a comparable way. A separate rulebook is provided for each index family that will describe the specific features of that index family as well as specific elements of each index within that family.
