Switzerland	35.00%
Thailand	10.00%
Taiwan	21.00%
United Kingdom	0.00%
USA	30.00%
British Virgin Islands	0.00%

Euronext will use the percentages mentioned above for the determination of the net dividend in comparison to the gross dividend. If the actual withholding tax deviates from the table, the Administrator may decide to apply this percentage.

\* For property companies in several countries a different % is applied: UK (PID 20%, Singapore 10%). In case of combination (property/ non property) the weighted average will be used.
