Step 4: Selection of constituents at the reviews

At Reviews, any Companies that are included in the index which are not part of the "Index Universe", e.g. as a result of a Spin-Off or Merger, are removed at the Review. No other changes to the selection will be made.

2.3 PERIODICAL WEIGHTING UPDATE

Weighting method

The index is Non-Market Capitalisation weighted, based on equal weight.

Number of shares

In the event of a change in the number of shares of a constituent due to any corporate action or event, the new weightings are calculated such that each constituent will have an equal weight.

The Number of Shares is determined based on the closing prices of the Companies to be included in the Index on the Review Weighting date.

Free Float factor

The free float factor is not applicable for this index family.

Capping Factor

The capping factor is not applicable for this index family.
