INDEX

1. HIGHLIGHTS

This document is applicable to the Euronext MTS Euro Government Inflation-Linked Index ("Index Family"), which consists of all the Indices as mentioned in the Reference Table.

The Index is designed to reflect the performance of European government inflation-linked bonds listed on MTS. The index methodology involves selecting fixed coupon, EUR denominated from relevant issuers. These eligible bonds are then further screened based on maturity and size criteria as detailed in the relevant sections of this methodology document.

Euronext Amsterdam is the Administrator of this Index Family. For this Index Family no Independent Supervisor is appointed.

Euronext N.V. or its subsidiaries (hereinafter jointly "Euronext") owns all intellectual and other property rights to the index, including the name, the composition and the calculation of the index. Information regarding trademarks and intellectual property rights of Euronext is located at https://www.euronext.com/terms-use .
