

CONSULTATION SUMMARY

Consultation subject:	rule change AEX family eligibility in view of Market of Reference
Consultation started:	June 2020
Summary published:	1 Sep 2020

Details:

At present all companies admitted to listing in Amsterdam are included in the index Universe. If they have an additional listing within Euronext, their Market of Reference could be other than Amsterdam. In such case inclusion in the AEX family is restricted to those companies that fulfil criteria regarding percentage of FTE, asset base and/or headquarter function.

The Administrator of the AEX index family now proposes to impose further restriction on the admission to the universe of companies with other Market of Reference. In the proposal cases that come from mergers (in shares) will be allowed. This could possibly impact future composition of the index.
