

CONSULTATION SUMMARY

Consultation subject: **Market Closure over Review Weighting Period**
Consultation started: May 2023
Summary published: September 2023

Details:

Euronext consulted on proposed new methodology of postponement of the Review Effect Date whenever there is a market holiday within this period in a relevant market to allow market participants to be able to better track the index.

Number of Responses:

A small number of reactions was received (<5).

Feedback received in the consultation

Stakeholders were opposed to the proposed methodology.

Follow up:

It has been decided to not go forward with the proposed changes, and keep the rules unchanged.
