

CONSULTATION SUMMARY

Consultation subject: **Enternext PME 150 Index changes to the methodology**
Consultation started: August 2024
Summary published: September 2024

Summary:

Euronext would like to consult on proposed changes to the methodology of the Enternext PME 150 Index. The proposed changes cover the following elements of the methodology:

- The Review Frequency and relevant dates
- The eligibility screening of the Index

The aim of the changes is to ensure that the Index Methodology aligns with the updated requirements as per the new French law "loi attractivité".

Number of Responses:

No reactions

Follow up:

The new proposed rules were validated and will be implemented as of the September 2024 review.
